

STD/HIV Division Training Calendar 2013

The STD/HIV Division has scheduled the following courses for the 2013 calendar year. Trainings are open to DHEC Staff, DHEC-funded Contractors, Health Service Organizations, AIDS Service Organizations, Community-based Organizations, and Faith-based Organizations unless otherwise indicated. **Priority for training slots will be given to DHEC-funded contractors and Health Department staff.** Registration pre-requisite requirements must be met before registration can be confirmed. DHEC *does not* provide lunch or break items at these trainings. All trainings will start promptly at 9:00 a.m. unless otherwise indicated on the training announcement and registration forms. A 15-minute grace period will be given to late attendees, after such time admission will be closed. **Participants who arrive late or leave early will not receive full credit for the course.**

To register for a course, complete the attached training announcement form, and email, mail or fax (803-898-0573) the form to the following address:

Dr. James Harris, Jr., Training Coordinator – STD/HIV Division
1751 Calhoun Street, Columbia, SC 29201

Registrations must be received a minimum of ten business days prior to the course date(s).

To learn more about the course content you may contact James Harris, Jr., Division Training Coordinator at 803-898-0480 or by e-mail at harrisj@dhec.sc.gov. For additional information, you may also visit our web site at: <http://www.scdhec.gov/health/disease/stdhiv/training.htm>. Calendar dates and locations are subject to change. Registration information can be faxed to 803-898-0573

Title	Description	Target Audience	Instructor/ hours	Date/ Location
Anti-Retroviral Treatment and Access to Services (ARTAS)	This 3-day training is designed to prepare attendees to provide an individual-level, multi-session, time-limited intervention with the goal of linking recently diagnosed persons with HIV to medical care soon after receiving their positive test result.	DHEC social workers, nurses, case managers, CBO staff, consumers and others working in the field of STD/HIV.	Trainers: Danya Staff Training Hours: 19.5 9 am – 5 pm	TBA Columbia, SC
Assuring the Quality of HIV Prevention Counseling: Practical Approaches for Supervisors (QA)	After completing this 3-day course, supervisors will have the skills needed to assure the quality of HIV prevention counseling and the knowledge to apply the quality assurance recommendations of the November 2001 <i>Revised Guidelines for HIV Counseling, Testing, and Referral</i> . [Portions of the guidelines have been updated in the 2006 Revised Recommendations for		CDC CBA Training Staff Training Hours: 19.5 9 a.m. to 5 p.m.	Cancelled – to be rescheduled Columbia, SC

	HIV Testing of Adults, Adolescents, and Pregnant Women in Healthcare Settings.] They will learn a quality assurance process for HIV prevention counseling; review the guidelines' recommendations, counseling concepts, and skills; gain knowledge of a six-step HIV prevention counseling protocol; and master supervisory approaches for the quality assurance activities of record review, individual and case conferences, direct observation, and feedback. <i>Supervisors taking this course should have taken or delivered the CDC's "Fundamentals of HIV Prevention Counseling" course.</i>			
Condom distribution programs (best practices)	Condom distribution as part of HIV testing outreach programs or individual, group, community level interventions can promote both condom use and other risk reduction behaviors. This course is designed to increase the efficacy and reach of your program, consider integrating it within your existing risk reduction interventions, prevention activities, or health services for those at risk.	STD/HIV Division Staff and funded Contractors	Trainers: Rochester PTC Staff Training Hours: 19.5 9 am – 5 pm	August 13, 2013 Columbia, SC
Fundamentals of HIV Prevention Counseling Note: <i>This course is a requirement for all prevention counseling course</i>	This 2-day training prepares attendees to provide client-centered HIV pre- and post-test counseling. Emphasis will be placed on helping clients make informed testing decisions, providing test results, and working with clients to reduce their risk for HIV infection and transmission. Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Trainers: TBA Training Hours. 13 9 am – 5 pm	March 7-8, 2013 Columbia, SC June 20-21, 2013 Columbia, SC November 14-15, 2013 Columbia, SC

Fundamentals of HIV Prevention Counseling: Issues of Client Who Test Positive	<p>This 2-day training is designed to prepare participants to provide counseling services to people living with HIV to avoid sexual and substance use behaviors that can result in transmitting HIV to others and negative health outcomes for themselves.</p> <p>Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws <i>and</i> Fundamentals of HIV Prevention Counseling or Test Decision Counseling, Result Counseling and Risk Reduction Counseling</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Training Hours: 13</p> <p>9 am – 5 pm</p>	<p>July 18 -19, 2013 Columbia, SC</p> <p>December 5-6, 2013 Columbia, SC</p>
Fundamentals of Waived Rapid HIV/HCV Testing and Prevention Counseling	<p>The goals of this 3-Day course are to teach counseling, testing, and referral (CTR) providers how to collect a test sample, perform waived rapid HIV testing, and integrate the 6 steps of HIV prevention counseling (HPC) into the HIV testing process, following safe work practices and quality assurance (QA) guidelines.</p> <p>Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Trainers: TBA</p> <p>Training Hours: 19.5</p>	<p>January 23-25, 2013 Columbia, SC</p> <p>April 24-26, 2013 Columbia, SC</p> <p>July 24-26, 2013 Columbia, SC</p> <p>December TBD Columbia, SC</p>
Fundamentals of Waived Rapid HIV Testing and Prevention Counseling Refresher Course	<p>The goal of this 2-day course is to serve as a refresher course for counseling, testing, and referral (CTR) providers on how to collect a test sample, perform waived rapid HIV testing, and integrate the 6 steps of HIV prevention counseling (HPC) into the HIV testing process, following safe work practices and quality assurance (QA) guidelines.</p> <p><i>This course is recommended for individuals whose initial training was 2 years or more.</i></p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Trainers: Pam Davis, CTRS Program Coordinator</p> <p>Training Hours: 13</p>	<p>TBD</p> <p>(Supervisory Approval Required)</p>

	Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws			
Healthy Relationships	<p>This 4-day training builds on a curriculum that is designed as a small-group intervention for men and women living with HIV/AIDS. Based on the Social Cognitive Theory that focuses on the development of skills, positive expectations, and self-efficacy about new behaviors through modeling behaviors and practicing new skills</p> <p>Prerequisite: HIV 101, STDs 101, and S.C. This course is designed to address behavioral influencing factors specific to gay men of color, including cultural/social norms, sexual relationship dynamics, and the social influences of racism and homophobia. Core elements of the training are: educate clients about HIV risk and sensitize to personal risk, develop risk reduction strategies, train in behavioral skills, train in partner communication and negotiation, provide social support and relapse prevention.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Trainers: Danya Staff Training Hours: 19.5 (Levels 1 & 2)	TBD

Planning, Implementing, and Monitoring an HIV Rapid Test Program (RT for Program Managers)	<p>After completing this 3-day course Program Managers and supervisors will have the skills necessary to conduct assessments to determine community and agency readiness to adopt HIV Rapid Testing. They will also have the skills necessary to implement an HIV rapid testing program which includes meeting Federal and local CLIA regulations, policy development, staffing, and training plans. Program Managers and supervisors will also learn how to conduct Quality Control and Quality Assurance activities related to HIV rapid testing as well as how to monitor their program on a day-to-day basis. This course is a must-have for anyone overseeing an HIV rapid testing program. Requires Counseling/Testing Coordinator's approval.</p> <p>Prerequisites: HIV 101 and S.C. HIV/STD Laws</p>	<p>Program Managers who oversee HIV Rapid Testing Programs</p> <p>Participants must be approved for registration by the Counseling & Testing Program Manager, Pam Davis (davisp@dhec.sc.gov 803-898-0328) prior to registration.</p>	<p>CDC CBA Training Staff</p> <p>Training Hours: 19.5</p> <p>9 a.m. – 5 p.m.</p>	<p>October 1-3, 2013 Cancelled – to be rescheduled</p> <p>Columbia, SC</p>
RESPECT	<p>This intensive 2-day workshop provides STD/HIV front-line providers with the training to implement RESPECT, a two-session client-focused intervention of HIV prevention counseling. The intervention is designed to reduce high-risk sexual behaviors and prevent new sexually transmitted infections. Project RESPECT is based on the Theory of Reasoned Action, which explains how behaviors are guided by attitudes, beliefs, experiences, and expectations of other persons' reactions, and on Social Cognitive Theory, which states that persons learn by observing other people successfully practice a new behavior. The intervention target population is heterosexual persons 14 years and older.</p> <p>Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws And Fundamentals of HIV Prevention Counseling (or Test Decision Counseling, Result Counseling and Risk Reduction Counseling)</p>	<p>DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations</p>	<p>Trainers: Marilyn Moering Mississippi HIV Prevention Training Center Staff</p> <p>Training Hours: 13</p> <p>9 am-5 pm</p>	<p>TBD Columbia, SC</p>

S.C. HIV/STD Laws	<p>This 4-hour training will provide participants with a knowledge base about South Carolina HIV and STD Law. The intent is to give participants an introduction and overview to some of the many legal issues arising from the HIV/AIDS epidemic. It is not intended as a legal guide and should not be used as a substitute for the advice of a lawyer.</p> <p>In person training hours: 4.0 Videotaped (CD) training hours: 3.5</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Trainer: Bernard Gilliard, BS</p> <p>In-person Training Hours: 4.0 Hours</p> <p>9:00 a.m. – 1:00 p.m.</p>	<p>February 12, 2013 Columbia, SC</p> <p>June 11, 2013 Columbia, SC</p> <p>October 8, 2013 Columbia, SC</p>
Social Network Strategy (SNS): A Recruitment Strategy for Counseling, Testing & Referral Services	<p>The goal of this training program is to provide both managers and staff with a thorough understanding of a Social Networks Strategy (SNS) for Counseling, Testing, and Referrals (CTR), and to help them develop knowledge and skills needed to successfully implement an SNS for CTR in their agencies.</p> <p>Prerequisites: ARTAS, CRCS, or Respect</p>		<p>NYSPTC</p> <p>Training Hours: 13</p> <p>9 am – 5 pm</p>	<p>February 19-20, 2013 Columbia, SC</p>
STDs 101	<p>This 6.5 hour course will increase staff's ability to help their clients agree on quality risk reduction plans that focus on the connection between STDs and HIV (in terms of susceptibility and communicability). It will emphasize the importance of regular STD exams for early detection and treatment of STDs and will identify available resources for more information about STDs. The session will also include an activity that focuses on frequently asked questions from clients.</p> <p>Course objectives include:</p> <ul style="list-style-type: none"> ◆ Describe the signs, symptoms and complications of common STDs; ◆ Discuss the importance of early diagnosis and 	CBO staff, health educators, social workers, nurses, case managers, consumers and others working in the field of STD/HIV.	<p>Linda Brown, MPH</p> <p>Training Hours: 6.5</p> <p>9 am – 5 pm</p>	<p>February 21, 2013 Columbia, SC</p> <p>May 14, 2013 Columbia, SC</p> <p>October 9, 2013 Columbia, SC</p>

	<p>treatment of STDs;</p> <ul style="list-style-type: none"> ◆ Attain a thorough understanding of the way STDs can effect HIV susceptibility and communicability; ◆ Assist clients in developing effective, viable risk reduction plans for HIV and other STDs; ◆ Identify available resources for information about STDs, including HIV <p>This course is a prerequisite for Fundamentals of HIV Prevention Counseling and Fundamentals of Waived Rapid HIV Testing and Prevention Counseling.</p>			
Overview of TB and the TB/HIV Connection	<p>This half-day training will discuss Tuberculosis (TB), a serious problem that can occur in persons with HIV infection.</p>	DHEC Clinical Staff, ASO, and Health Services Organizations.	<p>Caroline Carman, Social Work Consultant</p> <p>Training Hours: 2</p> <p>10 am - 12 pm</p>	TBD Columbia, SC
Understanding Viral Hepatitis	<p>Participants will be provided information on the different types of viral hepatitis and the potential that each infection has to damage the liver. A thorough discussion of viral hepatitis transmission, prevention, symptoms, testing methods and treatments will be provided.</p> <p>Prerequisites:</p>	Disease Intervention Specialist (DIS), health Educators, social Workers, RW Case Managers, CBO and Others working in the field of HIV/STD/Viral Hepatitis.	<p>Linda Brown, MPH Viral Hepatitis Prevention Coordinator</p> <p>Training Hours: 6</p> <p>9 a.m. – 4 p.m.</p>	<p>April 4, 2013 Columbia, SC</p> <p>September 12, 2013</p> <p>Columbia, SC</p>

	<p>Before taking this course, you need to complete SC STD/HIV Laws, HIV 101, and STDs 101.</p> <p>Note:</p> <p>This course is a pre-requisite for the course: Fundamentals of Waived Rapid HIV/HCV Testing and Prevention Counseling”</p>			
Understanding Herpes	<p>During this session, participants will learn the differences and similarities between HSV-1 and HSV-2, and how infection can impact a person’s life both medically and emotionally. During this session, we will focus our discussion on transmission, latency, recurrences, treatment options, disclosure and pregnancy. Participants will also gain a solid understanding of the increased risk that HSV can place on HIV acquisition/transmission.</p> <p>Prerequisites: <i>SC STD/HIV Laws, HIV 101 and STD 101</i></p>	DIS, health educators, social workers, nurses, case managers, CBO staff, consumers and others working in the field of STD/HIV.	<p>Linda A. Brown, MPH</p> <p>Training Hours: 6.0</p> <p>9 a.m. – 4 p.m.</p>	April 11, 2013 Columbia, SC
Understanding Sexual Addiction	<p>This 2-day workshop is designed to provide participants with a deeper understanding of the relationship of Sexual Addiction to the spread of HIV, the nature of this illness, and ways to appropriately treat those living with it.</p>	DHEC HIV Prevention Social Workers, Health Educators, HIV Prevention Contractors, Ryan White Providers, Prevention Specialists and AOD Counselors, and other Health and Human Service Providers	<p>Mildred Williams, MA, MA, CACII</p> <p>Training Hours: 13</p> <p>9 am – 5 pm</p>	<p>July 30-31, 2013 Columbia, SC</p> <p>December 9-10, 2013 Columbia, SC</p>

VOICES/VOCES (Training of Facilitators)	<p>This 2-day training is for persons wanting to facilitate VOICES/VOCES, a video based single session small group STD/HIV prevention intervention designed to encourage condom use among heterosexual African American and Latino men and women.</p> <p>Prerequisites: HIV 101, STDs 101, and S.C. HIV/STD Laws</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Maurice Adair Christa Guicherit</p> <p>Training Hours: 14</p> <p>9 am – 5 pm</p>	TBD Columbia, SC
Willow	<p>The WILLOW intervention is a social-skills building and educational intervention for adult women living with HIV. WILLOW emphasizes gender pride, informs women how to identify and maintain supportive social networks, teaches coping strategies to reduce life stressors, enhances awareness of STD transmission and HIV re-infection risk behaviors, teaches communication skills for negotiating safe sex, reinforces proper and consistent condom use, distinguishes between healthy and unhealthy relationships, and defines types of abusive relationships and their effect on a woman's ability to negotiate safer sex practices. The training of facilitators in a 5 day course in which participants are given the knowledge and skills to effectively implement the intervention. It is recommended that at least one participant attending from each agency fit the qualifications of a peer facilitator.</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>Trainers: Danya Staff</p> <p>Training Hours: 32.5</p> <p>9 am-5 pm</p>	<p>TBD Columbia, SC</p> <p>Other dates TBD</p>

SELF-STUDY & ONLINE INSTRUCTION
